**Subject:** Niagara County Sites

Hi Frank:

How's everything? Please finalize the 1900-55 for August 9, 2017. I believe that was the day Dexter went to the hospital? Since it was work related, will he still be paid for the hours but not linked to the site? Because I don't think he should lose pay for checking out an injury. Please let me know.

Status update:

NFB estimates-I am supposed to brief agency personnel and media tomorrow morning. Are we close to obtaining the estimates for remaining excavation of parking lot and warehouse #3 and the disposal cost associated?

NFB Electric Pole-What's the status of this?

HTC Fence-I know they started on August 14<sup>th</sup>. Is it complete? Has GES been to the site since? Can we get photos?

HTC Roadway Sample Pit Asphalt-Please let me know if we will be able to address this in the near future.

Thanks. Hope all is well.

Thanks. By the way, one of our sample pits in the roadway at HTC needs more asphalt. I'm not sure if you will be able to address or someone else in the area. What's status of electric pole at NFB?
